

## Hospital Based End Stage Renal Disease (ESRD) Provider

The following is a list of required enrollment documents for this provider type. A copy of each document listed below must be included with your Provider Enrollment/Revalidation Packet.

If you have any questions, please contact the Hewlett Packard Enterprise Provider Enrollment Unit at (877) 638-3472 from 8:00 a.m. to 5:00 p.m. Monday through Friday.

**Note:** Providers that are enrolled as a provider type (PT) 12 and are providing ESRD services must enroll as a PT 81 to receive reimbursement for the ESRD services.

- ☐ Documentation showing Taxpayer Identification Number (SS-4 or CP575 or W-9).
- ☐ State licensure as required in the state in which the facility is located. In Nevada, licensure is obtained through the Bureau of Health Care Quality and Compliance (BHCQC) within the Division of Public and Behavioral Health (DPBH).
- ☐ Medicare Certification or accreditation by one of the following entities:
  - The Joint Commission (TJC),
  - American Osteopathic Association (AOA),
  - Healthcare Facilities Accreditation Program (HFAP), or
  - Det Norske Veritas (DNV) Healthcare System – National Integrated Accreditation for Healthcare Organizations (NIAHO)
- ☐ Disclosure of Ownership and Control Interest Statement  
(<http://dpbh.nv.gov/uploadedFiles/dpbhnavgov/content/Reg/MedicalLabs/Docs/Forms/disclosureofownership0001.pdf>)
- ☐ Clinical Laboratories Improvement Act (CLIA) certification
- ☐ National Provider Identifier (NPI) validation as a PT 81: Printed page from the NPPES NPI Registry displaying the provider's NPI or a printed copy of the email confirmation showing the provider's NPI. Please note: A separate NPI is needed for PT 81 and PT 12.

*You do not need to submit this checklist with your enrollment/revalidation documents.*
